MEMORANDUM FOR: Director of Central Intelligence

FROM: Robert W. Magee  
Director of Personnel

SUBJECT: Combined Federal Campaign

1. I am pleased to inform you that at 2:00 p.m. this afternoon the Agency exceeded its Combined Federal Campaign goal, the first time this has been done since 1977.

2. We have pledges and cash of \$323,791. Our goal, which was increased by 11% over last year's contributions, was \$323,000. There are still cards outstanding, so the figure should increase modestly.

The Honorable Verne Orr  
Secretary of the Air Force  
The Pentagon  
Washington, D.C. 20330

Dear Verne:

With our Combined Federal Campaign now having been underway for two weeks, I am advised that there is significant concern on the part of many of my employees over the inclusion of legal defense and political advocacy groups in the Campaign. I am aware of the fact that no Campaign funds go to these groups except for those which individuals specifically designate for them and this information has been imparted to our keypersons and Campaign workers. Nevertheless, the sentiment persists. Apparently, the emphasis which this subject got in the media before the Campaign began took its toll. I also understand that some employees, even though aware that only designated contributions go to these groups, are still resentful of their inclusion as participants in the Campaign under any circumstances. I only hope that the net effect of this will be minimal and a true spirit of charitable giving will prevail.

On a more positive note, I am pleased to report that the average gift of those making pledges has increased from \$57.00 to \$82.00. I hope that by the conclusion of our Campaign the problems I have shared with you will have been overcome and we will have successfully reached our goal.

Yours,

/s/ Bill

William J. Casey  
Director of Central Intelligence

RE: CFC Report

Attached is CFC report, by directorate, representing all cards received by noon today.

By comparison with last year, after 3 weeks of the 1982 Campaign we had \$15,439.00. Therefore, while this year's first week is nothing to brag about, it does look like returns are coming in faster.

Mr. Casey is being photographed Monday morning at 9:45 while completing his pledge card.
